

Mission Update and Prayer Guide

NOTHING IS TOO HARD FOR THE LORD.....Jeremiah 32:17
Heritage AFlame - 198 Salt Rising Road - Bolivar, NY 14715 USA

Volume 6 Issue 3 "The Church must send or the church will end." — Mendell Taylor February 2020

We are looking at 2020 with a humble spirit, "He must increase, we must decrease." Jasper Williams, Liberia

Dear fellow believers, by the amazing grace of God, we are astoundingly grateful to King Jesus and to the entire Heritage family made up of local churches, families and individuals. Thank you for the uncountable ways you have stood with us.....through encouragement, **prayers** and financial support over the past two decades. May God Almighty who sees in secret reward you openly in due time.

Here is a roundup of what God was able to accomplish through our collective efforts in order to help advance the Kingdom of God and to promote the gospel of the Jesus Christ in cities, villages and towns. Once again, God has used your support to help make this possible.

As we close out 2019 and start another year we have many things to highlight, including these accomplishments: a successful year-end Women's Conference; the Teen's Anniversary; the Gbatota District meeting; the Sierra Leone land purchase; the New Hope/Believer's visitation; a Baptismal ceremony; a Sustainability meeting; the Raymond-field Church dedication; the Awana training; a Kids' Schools Conference; a much needed security fence project; and the Revival meetings at Forestland. As I stated in my last report, upon my return from the States I have been thinking and planning on our new approach to ministry in 2020. This contemplation led to our recent gathering in which we envisioned enacting plans that will sustain the leaders, members and churches we have planted in the countries where we "birthed" churches under the guidance and power of the Holy Spirit.

By the grace of God, 22 new converts were baptized at Peace Community Church in Gbar Town. The baptism ceremony was carried out by Morgan and Melton. Morgan also visited the Peace Community Church, New Hope Community Church and the Believer's Community Church where he was able to provide encouragement and support. A one day District Leaders' meeting was held in Gbatota with major leaders of the six local churches within that district in attendance. The commencement of a five

acres farming project before January's end was discussed. Plans were made for the holding of the next District Conference during the month of April. While there we also raised funds to roof a small community center that will host youth meetings, Bible studies and **prayer** meetings.

The national women's conference of CCM was hosted by the Forestland Community Church with over 72 ladies in attendance from several of our churches. The three day conference was marked by leadership training, fasting and **prayer**, sports activities and fundraising.

The Teen Forestland Community Church celebrated its fifth anniversary with several events

including sporting activities, the showing of the Jesus film, and a time of fundraising. As a way to "train up our kids in the way they should go", we partnered with **Edify Liberia** once again to take the AWANA program to more schools. To further that partnership, a school conference and another two day proprietors training was held. Please keep **praying** for this. AWANA gives us a tremendous open door to reach youth here in Liberia and in surrounding countries.

Raymond-field Community Church, formerly the 24th Street Community Church, moved into a new edifice in another community. The edifice was dedicated the last Sunday of December. The believers in this church **prayed** for the purchase of this property for over nine years. Praise the Lord for answered **prayer**. Thank you for being a big part of that answer by letting God stir your hearts to **pray**, to believe and to give.

Funds were sent to the new mission that is ongoing in neighboring Sierra Leone. Seventy-seven percent of the population is Muslim. As you might recall, the church began in a neighborhood where they were given a free place to gather for weekly meetings. After the church experienced some growth they were asked to leave immediately. At first this seemed to shatter the future of the new church. However, through this hardship God made provision through His people, *here and there!* Now a parcel of land is being negotiated for.

The security wall project for our mission home yard has commenced. We have been purchasing the materials for the wall while supporting other urgent ministry programs over the last two months which included a three day year-end revival at Forestland Community Church. I was invited to preach during one of the days. This is the main church from which many churches have been planted. Ebenezer Browne is the pastor.

Prayer Points

Kindly join us in taking these requests to the Lord for the touch of His hands on each of these items. **Pray** with us for God's supernatural provision toward the work of the ministry He has called us to labor in.

Wisdom and **understanding** to lead God's people.

The need to support our strategic plans for 2020.

Quality ministry over **quantity** ministry emphasis.

The need for support for projects and programs in Sierra Leone, Guinea and Liberia.

Strengthening of our missions and churches in Ivory Coast.

Ministry trips to Guinea and Sierra Leone.

Thank you so much for standing with us. We love you all, Jasper Williams - Liberia

From John Adjei, Ghana.... Greetings in the mighty name of Jesus! We are all doing well. Our hearts are full of gratitude as the Lord saw us safely through another year. As we begin 2020 we are ready to continue with our walk, the walk of faith. The church at Swedru is growing. Our kids ministry has expanded. Please **pray** that the children and the teachers will have a humble spirit in order to apply the Word of God to each of their lives. We praise God to report that during the first week of January 40 people were baptized! What a blessing! We remember when Dave and Daisy were with us, on your behalf they **prayed** for souls! The Lord is answering your **prayers!** God is good.

My wife and I visited the Mansofo Church a few weeks ago. We were able to worship with many including these widowers pictured here. They were so very happy in Jesus. We give all praise to Him. John Rogers Academy is rolling along. The two large buses and the bus/van are a blessing. The students and teachers send their love and appreciation for what God has accomplished through your heartfelt **prayers**, support and giving.

From Nard Puyao, ISNAG Philipians and North Carolina..... Greetings from Waxhaw, NC! It has been cold the last couple days after enjoying temperatures in the upper 60's last week. I wish we had snow like you all in NY, but we can't have everything, can we? We are so humbled by your love and encouragement. We do appreciate your **prayers** and generosity in supporting the ministry. We are **praying** for your ministry there and in many other places. Do let me know when the trip to Myanmar is so I can be **praying** for Dave and also for Daisy and the entire church family.

We have 136 ESL students registered this winter session from 19 different nations, with China representing 37, Brazil 18, Russia 15, and the rest from other nations. God has brought these nations to our doorstep to learn English. That provides us with a great opportunity to share Christ with them all. So please **pray** for this international ministry God has given to us once again. We are working with people such as: housewives, students, engineers, doctors, pharmacists, and others. They all need to learn English so they can have jobs in this country. We appreciate your **prayers** for us as we try to help them learn the language. I can still remember learning 4 languages at the same time and English, the hardest to learn, was one of them. If I can do it - anybody can.

Finally, the other day reading Psalm 148 I came to the verse that says - *"Praise the Lord from the earth, you great sea creatures and all ocean depths....wild animals and all cattle, small creatures and flying birds..."* Ps 148:7-10. Shorting after considering this passage hundreds of birds landed in our backyard! They were chirping away, eating bugs and other edibles. Hearing and seeing this made me so excited about what I had just read. I wish I could have understood their chirping (not a language I learned) as they praised their awesome Creator.

With our gratitude, love and prayers, Nard and Sandy

Paul Kumar is praising the Lord for being able to baptize several believers to begin 2020. Please **pray** for Paul, his family and Shi-loh Ministries as they proclaim the Gospel in India.

Suny and Wayne were presented Honorary Doctorate Degrees in November. Please **pray** for these men as they serve the Lord in Tenkasi, Tamil Nadu, India.

Sam Johnson is the warden at the Mynaperi Campus. He is also a translator, worship leader and assistant to Sam George. Please **pray** for Sam as he follows Christ and molds young lives.

Padma Kumar is serving the Lord in Andhra Pradesh, India. Many churches have been planted in this hard area.

Bhaskar Joseph took the Gospel to the streets in the Andaman and Nicobar Islands of India in December. Please **pray** for those who made decisions for Jesus.

Pastor Dave will be traveling to Myanmar.

February 19-25th

Ministering with Dr. Sam George.

Church Conference and Emmanuel Bible Institute graduation

Planning is in the works.
There is a special need
for good, used children's clothing.
Clothing donations are greatly appreciated!
